Suggestions:

- Efforts need to be strengthened for student internships to enhance the skill sets of the student.
- The student involvement towards preparation of the higher studies needs to be improved. In this aspect, it is advised to interact with students through PTG and alumni. It is also advised to focus on outcome-oriented efforts.
- With a view of enhancing skills of our faculty, FDP can be arranged and industry Experts can be invited accordingly.
- Faculty participation in Online Certifications should be further encouraged.
- Load distribution should be carried out considering the expertise and ensuring overall effectiveness.
- The enhanced efforts need to be invested towards Revenue Generation.

Dr. S.B. Zope mentioned that HOD's are requested to create awareness among students about the changes in the technology.

Meeting ended with thanks and best wishes for new session.
